)
 Plaintiff)
) CIVIL ACTION NO.: 3-15-cv-00554
 v.)
 Select Student Loan Help, LLC et al)
)
 Defendants.

1. My name is Craig Cunningham, and I am the Plaintiff in this case. I have never been convicted of perjury or a crime of moral turpitude. I am making this affidavit based on my personal knowledge in this case.
2. I recieved multiple calls with pre-recorded messages to my cell phones 615-348-1977 and 615-331-7262. By my computation, I received 46 calls to 615-348-1977 from the defendants and 36 calls to 615-212-9191. I am seeking \$3,000 per call for a total of \$246,000 and costs of \$450 which represents the filing fee and costs of service.
3. Each and every call contained a pre-recorded message or was initiated by an automated telephone dialing system. I never consented to receiving pre-recorded calls or calls using an automated telephone dialing system, and the calls were not for any emergency purpose.
4. Furthermore, I do not believe the defendants did not had an internal do-not-call list and the defendants did not ever state their true name of the entity that they were calling from, which I later discovered to be Good EBusiness, LLC. Instead, the defendants would give very generic names, such as "Student help center". The defendants also used non-working outgoing

caller ID numbers to hide who was really calling.

5. The calls were purportedly to lower my student loan payments, but in reality were a scam impersonating the US Government as the Pre-recorded messages stated *"Hello, this is Sally Mayfield"* which would easily be misinterpreted by an unsophisticated consumer to be Sallie Mae, the student loan giant.
6. In total, I recieved 82 phone calls to my cell phones. A list of the caller ID numbers and dates follows:
